Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The undersigned petitions to withdraw the holding of abandonment by the Notice of Abandonment mailed August 25, 2006 in the patent application identified above. This petition is filed pursuant to MPEP 711.03(c)(I)(A), for which a fee is not required.

The aforementioned Notice of Abandonment states that the Applicants failed to timely file a reply to the Office action mailed 16 December 2004. However, the Applicants' undersigned attorneys of record never received that Office action. The undersigned has searched the firm's file jacket and docket records, without finding a copy of that Office action or any indication of its receipt.

A copy of the document records maintained by the firm of Merchant and Gould, LLC is enclosed, showing where the non-received Office action would have been entered (Due Date of 03/16/2005) had it been received and docketed. This docket report fails to show any entry for the present application (10/090,379).

Respectfully submitted,

MERCHANT & GOULD, LLC
